

The Royal British Legion Family Holiday service provides free, UK-based holidays at the seaside for families from the Armed Forces community.

Whether you are looking for action packed fun, quality time with the family or a relaxing getaway The Royal British Legion holidays suit all tastes.

SHOULDER TO SHOULDER WITH ALL WHO SERVE

The Royal British Legion provides welfare to the whole Armed Forces family – serving, ex-Service and their dependants. They also campaign on a range of issues affecting Service people, are the custodian of Remembrance, run the annual Poppy Appeal and are one of the UK's largest membership organisations. Each year the Legion provides assistance to over 160,000 serving and ex-serving Armed Forces personnel and their families, as well as campaigning on their behalf.

If you have served in the Forces for at least seven days or are the dependant of someone who has served, The Royal British Legion's extensive range of services is available to help you. Around 9.5 million people in the UK are eligible for our support and we spend £1.4 million a week helping those in the greatest need.

Feedback from beneficiaries who have experienced the Legion's Family Holiday service:

Tell us why you enjoyed the holiday

It was a great family holiday that has given us a great high after a very low year.

It was excellent and we were having fun every day.

If it wasn't for the Legion we wouldn't have had a family holiday, it was lovely just to get away.

It was nice to break the normal daily routine and see everyone so happy.

How did you benefit?

My family have had to live through some hard times financially and mentally, this gave us all time to relax.

It brought the family closer together.

We got the chance to mix with and befriend people with similar needs to ourselves.

My husband had spinal surgery 4 weeks ago and it has helped lift his mood/spirit.

The children benefited greatly from having the chance to get away from our usual routine and have fun.

We were able to do and see things that we would not have normally had the chance to do.
