<b>Date</b>	Monday 19 <sup>th</sup> February 2018
<b>Name of Group/Body</b>	1 <sup>st</sup> Grindleton Brownies
<b>Purpose for which required</b>	To complete the Eureka Science Challenge Badge
<b>Description of project</b>	The girls in our brownie pack have expressed an interested in completing the Eureka Science Challenge Badge. This is a badge designed by other brownies as a fundraiser for their own pack. It covers lots of areas of science, simplified to make it age appropriate. There are various tasks involved that must be competed to gain the badge by taking part in group activities, experiments and some independent work. The badge also involves a trip to Eureka, the children's museum in Halifax.
<b>Amount applied for</b>	£520.00

Latest accounts attached	Hard previously supplied, up to date accounts are kept by another leader and can be provided if needs.
Quotations attached	Supplies for the experiments would be bought from various shops/ websites. Ticket cost for Eureka from their website and coach price provided by Hogsons Coaches.
Additional information	We haven't done the Eureka badge as 1 <sup>st</sup> Grindleton Brownies before, the closest thing we have done is the Science Investigator badge which is a much simpler version which we did about five years ago, meaning very few of the girls in our pack have it. The girls have chosen the activities covered by this badge themselves as part of the Girl Guiding Initiative to get the girls involved with the planning of meetings.
Has application been made to another body. Please give details	No
