March 2009

Despite the credit crunch the Committee remain positive that we can match our fundraising for the Poppy Appeal again this year. The dates below for your diary offer a wide range of activities for 2009 and they provide lovely opportunities to meet old and new friends. Please come along, everyone is welcome and bring your friends and family.

The village representatives play a big part in keeping members updated by delivering letters, collecting subs, selling poppies, finding prizes for raffles and tombola and selling tickets so please support them.

Lancashire HQ provides Poppy Calls, a handyperson service to help with small repairs and minor alterations to the homes of ex-service personnel and their families. Contact our Branch Secretary or the Lancashire County Secretary 01257 244699 for more details and help completing the form if required.
